

OPULENCE SYNTHETIC DOWN PILLOW

Our Opulence Synthetic Down Pillow has been specifically engineered to be the best down-alternative pillow, perfect for guests looking for premium comfort. The innovative Opulence Pillow is constructed with polyester microfibers, duplicating the structure and feel of down. Its gusset design provides more structure and lift creating long-lasting support.

Features a T-240 100% cotton ticking (shell) for enhanced softness and comfort.

Filled with 100% synthetic material that is both antibacterial and hypoallergenic for a healthier and more comfortable sleep experience.

Designed with color-coded piping for easy identification of firmness levels: white for a firm fill and grey for a soft fill.

Machine washable using a cool cycle.

OEKO-TEX® MADE IN GREEN certified, fully traceable, tested, and proven free of harmful substances.

With over 75 years of experience, Eden Textile has built trust providing high quality products and exceptional client service.
