

SEVENPLUS
sevenplus

SEVENPLUS is a London-born mood fragrance personal care brand created for hotels seeking to offer more than standard amenities. Designed to deliver an elevated sensory experience, the collection helps guests feel calm, refreshed, and restored throughout their stay.

Rooted in the brand philosophy, "Spa Luxury for Your Soul" this collection pairs advanced fragrance innovation with refined presentation. Each signature scent is developed using patented mood fragrance technology and crafted by internationally renowned perfumers. The result is a fragrance experience certified for mood therapy, designed to positively influence emotional well-being. A distinctive red knot on every bottle serves as a symbolic key, representing the connection between body and mind, and a moment of gentle relaxation.

Safety Standards: Formulated in accordance with strict European safety standards.

Clean Formulation: Free from: Dimethicone, Silicones, DEA, SLS, MIT/MCIT, artificial colorants, formaldehyde releasers, phthalates, animal testing, plasticizers, and GMOs.

Aromatic Innovation: Patented mood fragrance technology, blended by leading perfumers and certified for mood therapy.

Secure Mounting: 400ML Invisible Floating Bracket System (refillable and tamper-resistant).
